→ Nécrose bilatérale des putamens

The image shows the exterior of a hospital building. The main sign on the facade reads 'SERVICE DES URGENCES' in large, pink, capital letters. Above this, there is Arabic text in pink. Below the main sign, there is a smaller sign that says 'RESERVE POUR LES AMBULANCES' in French, with Arabic text above it. Several people are visible near the entrance, and a motorcycle is parked in the foreground. The building has multiple windows and a modern architectural style.

DIAGNOSTIC

The image shows the exterior of a hospital building. The upper part of the building features a sign in Arabic script and the French text "SERVICE DES URGENCES". Below this, a large brown banner with white text reads "Intoxication au méthanol". The lower part of the image shows the entrance area with several people, a sign that says "RESERVE POUR LES AMBULANCES", and a motorcycle parked nearby.

Intoxication au méthanol
